About IES

Who We Are

IES is a leading electromechanical contracting company specializing in MEP (Mechanical, Electrical, and Plumbing) works. Our focus is on engineering excellence, quality assurance, and building long-term client trust.

While our core team has been actively engaged in the field since 2019, we formalized our operations and established IES in late 2021. Over the years, we have expanded our reach, successfully delivering complex projects across multiple sectors and gaining a solid reputation for excellence.

Our Mission

We aim to provide innovative, reliable, and tailored electromechanical solutions to meet the specific needs of our clients. Through engineering expertise, high-quality execution, and a client-centric approach, we strive to be a trusted partner in every project we undertake. We believe that delivering value-driven engineering solutions not only meets but exceeds client expectations.

Our Vision

To be a leading electromechanical contractor recognized for excellence, innovation, and reliability in delivering high-quality MEP solutions across various industries.

Core Values & Compliance

International Certifications (ISO)

IES authoritatively certifies the implementation and continuous advancement of an effective management system, adhering strictly to global standards. *(Valid until November 2026 / IAF Code: 28, 29)*

ISO 9001:2015 - Quality Management

ISO 45001:2018 - Occupational Health & Safety

ISO 14001:2015 - Environmental Management

01. Integrity

Honesty and transparency guide our operations and client relationships.

02. Excellence

We commit to delivering high-quality solutions with precision and expertise.

03. Innovation

We embrace advanced technologies to enhance our operational efficiency.

04. Client Satisfaction

We prioritize our clients' needs and tailor our solutions accordingly.

05. Safety & Sustainability

Ensuring a safe work environment and promoting sustainable practices.

Our Services & Expertise

We provide comprehensive electromechanical and general contracting services designed to meet the rigorous demands of modern infrastructure.

HVAC Systems

We specialize in the design, supply, installation, and maintenance of high-performance heating, ventilation, and air conditioning systems, ensuring optimal indoor air quality and energy efficiency.

VRF & VRV Systems

Our expertise in Variable Refrigerant Flow (VRF) and Variable Refrigerant Volume (VRV) systems ensures seamless climate control solutions, enhancing energy efficiency and operational performance across various applications.

Fire Fighting Systems

We offer end-to-end fire safety solutions, including the design, supply, installation, and maintenance of sprinkler systems, fire alarms, suppression systems, and other protective measures tailored to industry standards.

Ventilation Solutions

Our advanced ventilation solutions are designed to enhance air circulation and purification, ensuring superior air quality and regulatory compliance in diverse environments.

Electrical Works

We deliver comprehensive electrical solutions, covering power distribution, lighting, control systems, and infrastructure wiring, ensuring reliability, safety, and efficiency in every project.

Project & Logistics Support

From pre-technical study, preparing BOQ and Shop Drawings, to site handover and daily workflow surveys. We ensure responsive supply chains, strict confidentiality, and data governance for your technical designs and pricing.

Project Portfolio

A track record of engineering success across key sectors, demonstrating our capacity for technical integration and timely delivery.

NO.	PROJECT NAME	SCOPE OF WORK	LOCATION
1	P1 Data Hub (Data Center & Cloud Computing)	HVAC (VRF & AHUS connected to VRF)	Cairo
2	Silicon 21 Head Office	HVAC & Firefighting	Fifth Settlement
3	26 Embassies in the Diplomatic District	HVAC (VRF)	New Administrative Capital

NO.	PROJECT NAME	SCOPE OF WORK	LOCATION
4	Edge Center - C5	HVAC(chilled water) & Firefighting	Ministries District, NAC
5	VIP Building - The Great Transfiguration	HVAC & Firefighting	Saint Catherine
6	Costalica Restaurant & Café	HVAC	Alexandria
7	Amunet 500 MW Wind Project	HVAC	Ras Ghareb
8	Badr Warehouse Building Central Labs, Ministry of Health	HVAC (DX connected to AHU & VRF) & Firefighting	Badr City
9	Regus - Sheraton Branch	HVAC (VRF)	Sheraton
10	Khufu Restaurant	HVAC (VRF) & Firefighting	Giza Pyramids Area
11	Mazloun Exhibitions & Malls Cairo Festival City	HVAC (chilled water)	Fifth settlement
12	Mazloun Exhibitions & Malls	HVAC (VRF & AHU connected to VRF)	Tanta
13	Mazloun Exhibitions & Malls	HVAC (VRV/F)	Belbies

NO.	PROJECT NAME	SCOPE OF WORK	LOCATION
14	Technological University, East Port Said Student Housing & Main Restaurant	HVAC (DX & VRF)	North Sinai
15	Medical Council, Ministry of Civil Aviation	Enhancing VRV system efficiency through retrofitting R-22 outdoor units to R-410A	Cairo Airport
16	Pyramids Devehopments	HVAC(DX)	6th of October City
17	Development of Sayyida Zainab Mosque	HVAC(DX)	Cairo
18	Crystal Plaza (RAYA)	Central Air Conditioning, VRV/F Technical with Standby Systems	Maadi
19	Natuzzi Exhibition - Downtown	HVAC	Downtown,Fifth settlement
20	Engineers Syndicate Restaurant Abu El Feda	HVAC(DX)	Zamalek
21	Building C - Arab Academy For Science & Technology	HVAC (DX & VRF)	Alexandria
22	Main Restaurant - Arab Academy For Science & Technology	HVAC (DX & VRF)	Alexandria
23	Faculty of Pharmcy- Arab Academy For Science & Technology	HVAC (DX & VRF)	Alexandria
24	Al Jawhara Mall	Central Air Conditioning , VRV/F Technical with standbly system	New Administrave Capital

** The above represents a selected highlight of our 36+ successfully executed major projects. Comprehensive project logs are available upon technical request.*

NO.	PROJECT NAME	SCOPE OF WORK	LOCATION
25	Badran Mall Student Housing & Main Restaurant	Central Air Conditioning , VRV/F Technical with standbly system	New Administrative Capital
26	AL Abyad Car Showroom	HVAC (VRF)	Centrada Mall - 6th October
27	Ellite Car Showroom	HVAC(DX)	Fifth settlement
28	Moneeb Car Showroom	HVAC(DX)	Fifth settlement
29	Export Development Bank Of Egypt Abdel Aziz El Sanhoury	HVAC(VRF)	Nasr City
30	Banque Misr	HVAC(VRF)	Sohag
31	Banque Misr	HVAC(VRF)	Qous - Qena
32	National Bank Of Egypt	HVAC(VRF)	New Assiut
33	National Bank Of Egypt	HVAC(VRF)	New Sohag
34	National Bank Of Egypt	HVAC(VRF)	Helioplies
35	CIB Bank	HVAC	Fifth settlement

- **In addition to Many villa projects (Water Way - El Katameya Dunes- Palm Hills)**

** The above represents a selected highlight of our 36+ successfully executed major projects. Comprehensive project logs are available upon technical request.*
